SUNDAY

Football Sunday: Sunday in the fall means football Mania!! Come Join us at THRIVE to watch the 1pm, 4pm, and 8pm game free from substance use.

MONDAY

ACA Women's Group: Adult Children of Alcoholics (ACA)/Dysfunctional Families is a Twelve Step, Twelve Tradition program of men and women who grew up in dysfunctional homes.

We meet to share our experience of growing up in an environment where abuse, neglect and trauma infected us. This affects us today and influences how we deal with all aspects of our lives. ACA provides a safe, nonjudgmental environment that allows us to grieve our childhoods and conduct an honest inventory of ourselves and our family—so we may (i) identify and heal core trauma, (ii) experience freedom from shame and abandonment, and (iii) become our own loving parents.

ACA Recovery through Writing Program: consist of a monthly 90min theoretical and practical session, which offers those suffering from childhood alcoholism, para-alcoholism, abuse, and dysfunction a venue in which to learn about the issues that affected them and write and share about their adverse experiences in a healing, group dynamic setting.

Rainbow Recovery: Everyone recovers on their own terms and in their own ways - your recovery supports should be as personal as you. Recovering as a person in the LGBT+ communities comes with a host of challenges you can process with us, Mondays at 8PM. Lead by an out gay social worker. A support and process group committed to the spirit of affirmation, acceptance, and recovery.

Community Re-integration and Support

After incarceration, coming home can be harder than we think - the old people, places and things make re-adjustment a challenge; our family and friends have trouble understanding the barriers we face; our communities rarely welcome us with open arms. Join us Wednesdays at 6PM to talk about the challenges of re-entry and find support from people going through the same things.

F.I.R.E.: Interactive group setting exploring the elements of Healthy Adult Relationships in Recovery. This group is open to all affected by SUD and will be a safe starting point on the road to recovery. Discover the foundation for real intimacy (into me I see) and becoming mindful of the barriers to forward growth. Applying effective skills of communication and conflict resolution to maintain relationships with family, community and beyond. Join us on the journey to embracing healthy relationships in recovery and dismantling the isolation that leads to addiction.

F.I.S.T.-Family Education Series: To encourage family members to become better educated on addiction

- Help families constructively cope with the addicted family member
- Teach family members to practice consistency and avoid making threats and promises
- Encourage family members to attend Al-Anon, Nar-anon & Families Anonymous

Reflections- My Story of Survival: This writing workshop is designed for family members. It takes participants through a series of steps and poems so that you can write your own story of recovery from your perspective as a family member. It is a creative method of self-expression that will encourage you to reflect on why you started on your journey, where you are, and where you hope to be. Changing the way we see ourselves and others with a healthy, positive, new, and exciting outlook on life. The purpose is to love and respect yourself in spite of the obstacles.

Keeping Cool in Recovery

Recovery can be a tough road - managing our emotions on top of everything can make things feel even tougher. Keeping Cool is a group for people in all stages of recovery to find mutual support and learn skills to manage anger, frustration, boredom, sadness, excitement, and all the feelings that can get overwhelming at times. Join us Wednesdays at 7PM!

THURSDAY

Wharf-Rat: are a group of concert-goers who have chosen to live drug and alcohol free. They arose out of the environment around the rock group The Grateful Dead and their followers the Deadheads, both of which were rooted in the drugs-embracing counterculture of the 1960s.

FRIDAY:

Voices of Empowerment-Open Mic Night: Our monthly Voices of Empowerment event is a night dedicated to self-expression! Through the written word, poetry, music, etc. we share our stories, our triumphs, our mistakes, our strengths and our vulnerabilities with each other. We are a supportive community that listens without judgment and inspires without demands!

Bilingual Health-Ed

SATURDAY

Art Therapy: Art therapy uses the process of self-expression, and the resulting artwork to help clients understand their emotional conflicts, develop social skills, improve self-esteem, manage addictions, reduce anxiety, and restore normal function to their lives.

Emotional Sobriety: This is an open study group fosters in-depth discussions that translate the 12 Steps from abstract ideas into practical actions that can be applied in daily living. Moving from "doing the steps" to "living the steps" is the secret to developing the fit spiritual condition necessary for a daily reprieve from addiction. This conversation illuminates how the 12 Steps work together and will use experiences that are occurring in the lives of participants to translate these ideas into action. Anyone from any fellowship can join this conversation at any time. This is not a meeting of an anonymous fellowship: the conversations transcend a "drug of choice" and focus instead on the underlying causes and conditions of addiction. Literature from AA, NA, OA, AL anon, CODA and other sources are referenced in these conversations. Music is used to add a contemporary reference, offer a different model of prayer, and provide a mechanism for integrating program messaging beyond the weekly discussion.
