Emotional Sobriety: 16 week rotating open study group which fosters in-depth discussions that translate the 12 Steps from abstract ideas into practical actions that can be applied in daily living. Moving from "doing the steps" to "living the steps" is the secret to developing the fit spiritual condition necessary for a daily reprieve from addiction. This conversation illuminates how the 12 Steps work together and will use experiences that are occurring in the lives of participants to translate these ideas into action. Anyone from any fellowship can join this conversation at any time. This is not a meeting of an anonymous fellowship: the conversations transcend a "drug of choice" and focus instead on the underlying causes and conditions of addiction. Literature from AA, NA, OA, Al-Anon, CODA and other sources are referenced in these conversations. Music is used to add a contemporary reference, offer a different model of prayer, and provide a mechanism for integrating program messaging beyond the weekly discussion.

TUESDAY

G.Y.S.T. for Today "Early Recovery Group": Recovery is awesome AND it can also be overwhelming, especially in the beginning. If you're new to recovery or you've been maintaining your recovery but you're having a hard time sifting through all of life's demands, join us at "G.Y.S.T. for Today!" This is a peer-led group that's focused on helping you "get your s*** together" so you can effectively maintain your recovery, regain your independence, and reintegrate into society living life on life's terms.

Getting to Know Yourself: A peer led group designed to help you let go of the past that is NOT serving your highest good, moving forward with a new sense of self. Our life experiences make us who we are. Through thought provoking questions, learn to take a look at ourselves in a way you never thought before. What about who we were before makes us who we are today? What would happen if we released what we didn't know we were holding on to? Through sharing our knowledge and life experiences, we can help others. This group is open to anyone recovering from anything and their families. *This group is held every 1st Tuesday of the month & 5th when applicable.*

Community Reiki Circle: Join us for our monthly Reiki and empathic energy circle. This group comes together as a community to bring peace, love & healing. *This group is held every 2nd Tuesday of the month.*

Reclaiming Me: This group is about building self-awareness by exploring new possibilities and solutions that can help navigate us through the challenges and obstacles that we face in our daily lives. We come together as a community to share similarities and experiences to provide ourselves & others with opportunities for self-growth, self-discovery, self-empowerment, expression, support and connection. This group is open to all. *This group is held every 3rd & 4th Tuesday of the month.*

In the Wildflowers "Healing from Childhood Abuse": A 10 step series that helps us to heal from the trauma of childhood and adult abuse. "In the Wildflowers" is meant for those who have suffered the trauma of emotional, physical, sexual, or spiritual abuse/neglect. Are you ready to heal? Gather with other women who have experienced this trauma in their past and long for freedom. We have tried forgetting it, getting on with our lives, denial, and many other solutions. In this series, God meets us in the present, helping us with our memories and the trauma of our abuse, healing us. Our trained facilitators will help you walk through the 10 steps to healing and let go of the trauma of the past at your own pace.

Prison Families Anonymous: If you have a loved one who is incarcerated and are finding it hard to cope with the situation, you will be comforted in knowing that you are not alone. The PFA Support Group provides a safe, non-judgmental place where those facing similar situations can connect with one another. It provides compassion, support and information to family members during their very difficult times.

WEDNESDAY

Families Anonymous: Families Anonymous is a 12-Step fellowship for the families and friends who have known a feeling of desperation concerning the destructive behavior of someone very near to them. Whether caused by drugs, alcohol, or related behavioral problems, we welcome you to join us and share.

Narcotics Anonymous "NA": NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

Nar-Anon: The Nar-Anon Family Groups is primarily for those who know or have known a feeling of desperation concerning the addiction problem of someone very near to you. We have traveled that unhappy road too, and found the answer with serenity and peace of mind. When you come into the family group, you are no longer alone, but among true friends who understand your problem as few others could. We respect your confidence and anonymity as we know you will respect ours. We hope to give you the assurance that no situation is too difficult and no unhappiness is too great to be overcome.

Al-Anon: Al-Anon is a mutual support group of peers who share their experience in applying the Al-Anon principles to problems related to the effects of a problem drinker in their lives. It is not group therapy and is not led by a counselor or therapist; this support network complements and supports professional treatment. At Al-Anon Family Group meetings, the friends and family members of problem drinkers share their experiences and learn how to apply the principles of the Al-Anon program to their individual situations.

Codependency/12Steps: Come explore an explanation of each of the Twelve Steps and how they can be applied to codependency issues. Specific exercises and activities will be explored that can be used in a group setting or on your own. A copy of Melody Beattie's book "Codependents' Guide to the Twelve Steps" will be needed.

THURSDAY

Steps for Vets: This is a Veteran recovery group open to ALL Veteran's regardless of discharge status and Active Military. We offer both a 12-step approach to recovery and peer to peer support for all Veteran related issues.

This group is *not* affiliated with any 12-step Fellowship. There are a myriad of issues that some of our brave Active Military/Veteran's struggle with today. We have modified and broadened the 12 steps in the hopes that they will appeal to our military nature and the issues that we struggle with as Veteran's. The hope is that these steps may better guide us through the healing & recovery process.

Tai Chi: If you're looking for a way to reduce stress, consider joining us every Thursday for Tai Chi (TIE-CHEE). Tai chi is low impact and puts minimal stress on muscles and joints, making it generally safe for all ages and fitness levels.

Parenting-Second Time Around: Is a support group for "grandparents" who are raising children again because their own kids are still currently active. The group will offer support and resources for those who are learning and struggling with being parents again. Resources on how to access benefits that are available will also be provided.

FIST Family Support Group: Come join us for our ongoing Family Support Group, "Families helping Families". We understand having someone you love that has been impacted by addiction is often overwhelming for family members. The family needs to embark on their own road to recovery.

LICADD NARCAN (Naloxone) Training: Narcan is a brand name for naloxone, a medication designed to rapidly reverse opioid overdose. It can very quickly restore normal respiration to a person whose breathing has slowed or stopped as a result of overdosing with heroin or prescription opioid pain medications. **This a LICADD Training.
